How can I participate?
Decorate an artificial Christmas tree or a wreath (live or artificial) of any size, style or fashion - traditional or non-traditional, using any type of materials. The decorations plus any gift cards or certificates will be raffled off at the end of the festival. All wreaths and trees are provided by and decorated by the sponsor company or individual. You can also participate by attending, sharing our event, or donating items and services for our foster pups.

Suggestions for decorating your trees: While traditional holiday decorations are always beautiful, you could also create your own masterpiece by creating a specific theme (ocean, tools, animals, memory tree, or a

theme celebrating your business or non-profit, honoring a favorite author, animal, a different holiday, etc.). The possibilities are limitless! We are in awe every year at the creativity and beauty.

Can I donate something else instead of a tree or wreath? Sponsorship of the festival**,** monetary donations and gift cards are great ways to participate in the festival and advertise your business. All gift cards will be used on Lucky Pup trees or in a gift basket for sale or raffle. Event sponsorship opportunities are included below. Social media sharing is encouraged and much appreciated!
